*Dear Bruce:*

*Bruce, I want to thank you for all your help in putting together **Clients for Life**. I have been very impressed with the quality of the group and your unfailing effort in helping to build relationships. In other networking groups, the emphasis was on getting leads. The leader always stressed that this was the main purpose of the group. You have the full understanding that getting to know your fellow members is the key to growing any business.*

*Clients for Life has allowed me to meet top quality people in the disciplines that I can relate to. The group is the most supportive one I have ever been part of. Your efforts in bringing people together is the key to the success of the group. You go out of your way every day to make sure we are interacting in a positive way.*

*I sincerely believe that anyone who joins the group is someone I want to meet. I know that they will be someone who I want to get to know. Out of the relationships we form, good things will happen.*

*Again, I appreciate your leadership and would be glad to talk to anyone on your behalf. You are simply the best!*

*Sincerely,*

*Bob Steinman, CFP*
