To Whom It May Concern,

I would just like to take this time to thank the Bruce Libman, the National Network of Accountants and the Preferred Providers Network for the multitude of networking opportunities they have provided for me throughout the years. As one of the initial members of the PPN, I have had the pleasure of watching it expand to the successful group it is today. I have built long term relationships with CPAs that are members themselves or have attended as guests. In addition, many PPN members have become long standing clients, have referred us clients, or have become vendors of choice for my company.

My experience with the PPN/NNA has been outstanding and I look forward to continuing my relationship with the group and its members for many years to come.

Yours Truly,

Rob Basso, President
