To Whom This May Concern,

It has been my great pleasure to be a member of Clients for Life for the past year. Not only has this organization provided me with numerous opportunities to develop mutually beneficial business relationships, the camaraderie of the participants is an enriching social experience.

Clients for Life is the brain-child of Bruce Libman. His adroit leadership brings substance to our monthly meetings and helps keep the intensity of our networking activity at a high level on a daily basis. Bruce does not forget us and we do not forget each other.

In conclusion, I recommend joining our networking association and look forward to shares ideas with you. I am sure that we will have mutual business interests that we will benefit from exploring.

Sincerely,

K. Eric Crook
Assistant Vice President
