Dear Bruce:

It was a pleasure meeting you at Student Night on November 9th. You helped to make our annual Nassau Chapter Student Night a great success. Gail and I wish to thank you for taking part in the event and educating us and the students on the art of networking. The students, faculty and CPAs in attendance this year found the evening to be both a valuable information session and a wonderful networking opportunity.

This year was an experiment for us with the new networking format for Student Night. We are confident that it provided CPAs with an opportunity to meet and network with more students than in previous years. In an attempt to make future programs even better, we are interested in any feedback and suggestions for improvement that you may have. You may reach me at Elizabeth.K.Venuti@hofstra.edu or at (516) 463-5359. Once again thank you for your efforts.

Very truly yours,

Elizabeth Venuti, CPA, PhD
